We chose "TOGETHERNESS" for this year's theme because it describes the feelings of the students and faculty here at Calvert. We all worked together to achieve the goals and accomplishments we set for ourselves at the beginning of the year. "Let's do it together" was the football team's motto for the '83 season. The idea of togetherness was also present at Homecoming since the theme song "Teo Torriate" means "let us cling together". This theme was carried on throughout the year in various ways, especially by the senior class as they realized it was their last year together.

LET'S DO IT

TOGETHER

We have lived and laughed together
Through many changing years.

We have shared each other's happiness
And wept each other's tears.

And let us hope the future,
As in the past will be

Filled with precious moments,
Treasured by you and me.

Departing With Memories

Remembering four years ago, how we
started a new way of life
By stepping out of grade school,
to the doorway of Calvert High
Like a tree we started
to grow, to share, and to unite
To flourish at new levels
till graduation night
We mixed as tiny seedlings
as our roots continued to grow
We united with warm feelings,
sharing with trust, heart, and soul

Our love has grown towards friendship
flowing with veins of time
For the love that was first, continues
and it will stay with us
Together we discovered
the need for our friends
The special joy of caring
through the happiness we shared
Now it's time to say goodbye
"Class of '84"
May God guide you in each step you take
with happiness in store

JUNIORS REVIEW YEAR

REMEMBER WHEN

we went to McDonald's after football games just to see who else was there?

you got your driver's license in the summer, and when school came around, you wanted to show off so you drove in the first day, only to find that most of your classmates had the same idea?

Rick Snuffer fell over a chair and broke his leg?

we voted three times for the prom theme? We finally decided on "Snowy to Heaven"

we sold candles at Christmas time to earn money for the prom?

we were freshmen with four long years ahead of us? Now there's three down and one to go

we went to Washington, D.C. for our class trip?

the seniors went on their class trip and the juniors took over for a week?

SOPHOMORES REMINISCE

- REMEMBER WHEN
- some of us participated on the baseball team which captured the S.D.C. title?
 - we tried to sell our milk chocolate, almond and wafer candy bars, but no one sold candy bars like Andy Collier. He asked literally every one?
 - we viewed the moonlight scene on our way home from our retreat?
 - we washed cars at St. Joe's and got as much water on us as on the cars?
 - Bo Reid went to dive for the basketball and broke his braces? And when he made his first varsity point?
 - almost everyone came as unemployed for career day?
 - we got our class rings, and everybody had to try on everyone else's?

After a fun time, the students went to the gym for a basketball game. C. Smith, a player for the team, D. Hill, who was the new player, was the first to score.

FRESHMEN REMEMBER

REMEMBER WHEN

we would carry all of our books to class because we thought we would be late?

the first day of school we all got lost and someone walked into a Senior English class instead of the Religion class he was supposed to be in?

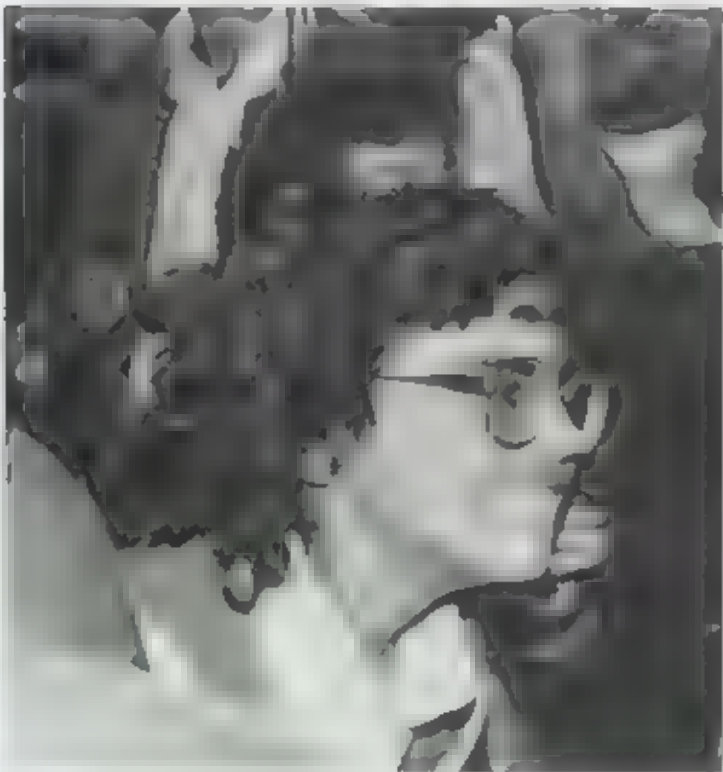

the Freshman Football Team won its first game?

we thought Algebra was easy?

someone sat in an empty room for fifteen minutes because she looked at her schedule wrong?

we used to get lost in the halls and couldn't find our way around the building?

there was a fire drill in Early American History? Did we know where to go? Of course not! We were so lost Mr. Millett couldn't even find us. Our class was separated by the street!

Mrs. Georgienne Mierl, who has been the National Honor Society Moderator for the past four years, again dedicated her time and experience to aid the organization through another year.

The group annually gives a \$75 scholarship award to a deserving sophomore girl and boy to encourage scholarship, one of the four characteristics of the National Honor Society members.

To develop citizenship, leadership, and service, the other three characteristics, the members visited with residents of area nursing homes and baby-sat monthly at both the St. Joseph and St. Mary parishes. These were two new activities added to the many which already existed.

They also sponsor the Sadie Hawkins Dance and run the fish pond booth at the Calvert Festival every year.

SENECA CHEERLEADERS STIR UP SPIRIT AND SUPPORT

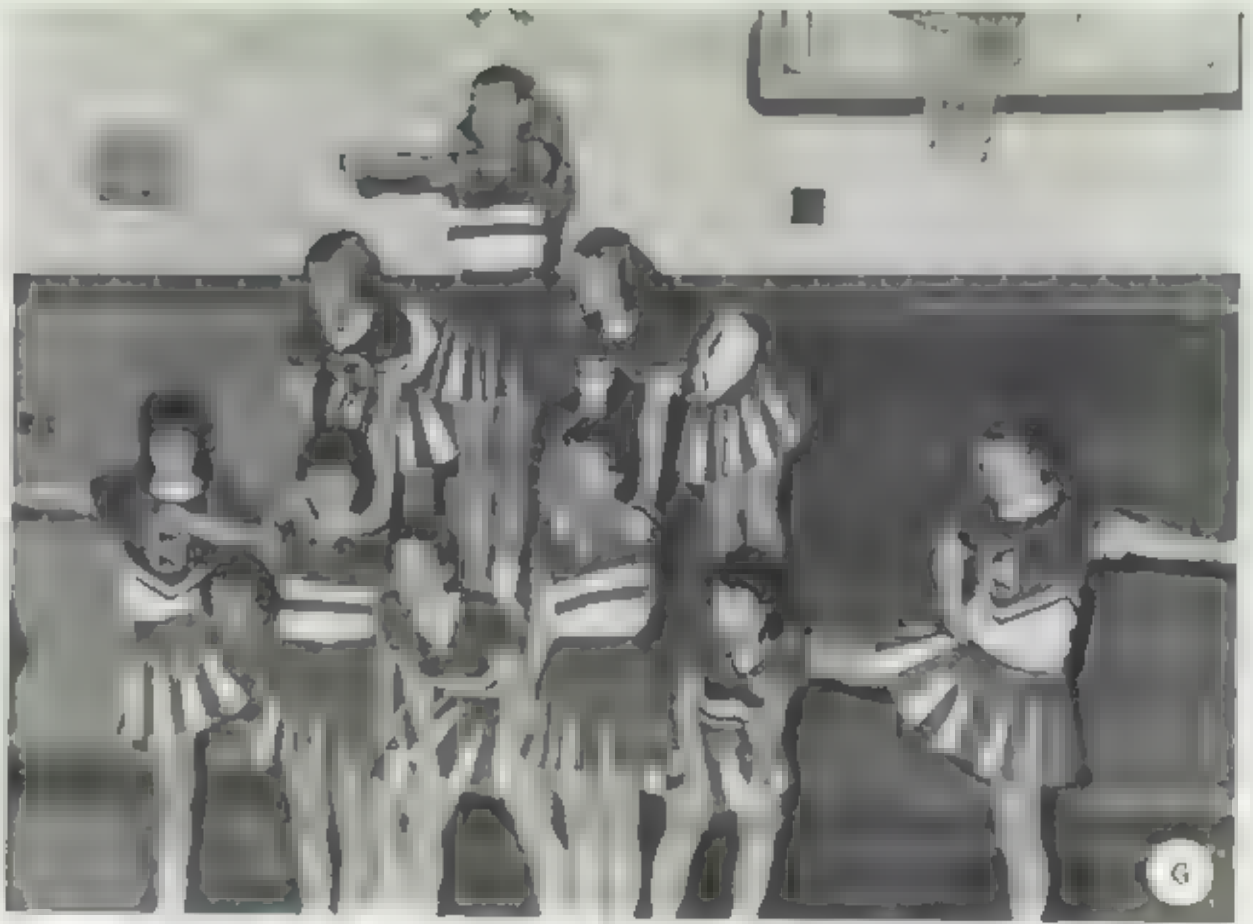

Cheerleading has been a part of Seneca since 1927. Since that time, it has changed dramatically, but the main purpose for cheerleaders still remains the same: to lead, cheer, and support the spirit and enthusiasm of the team.

The cheerleader program for the Seneca Silver Knights has been a great success story. The cheerleaders have been a great help to the team, and they have been a great source of support and encouragement. A group of approximately ten people are posed for a photograph indoors. On the far right, a man in a white shirt and a dark bow tie is looking towards the camera. Next to him is a woman in a light-colored, patterned dress. In the center, there are several people, including a man in a yellow shirt and a woman in a blue and white patterned dress. On the far left, a woman is wearing a white top and a dark skirt with a white polka-dot pattern. The background is dark and indistinct, suggesting an indoor setting with some architectural elements.

Ko Ko has been condemned to death for fitting out a ship, but reprieved and raised to the rank of Lord High Executioner. The Mikado decrees that unless an execution takes place, Tipu will be reduced to a village and the rank of Lord High Executioner will be abolished. Nanki Poo, who has fled from his father and Karisha in search of his love, Yum Yum, offers his head in exchange for one month of married

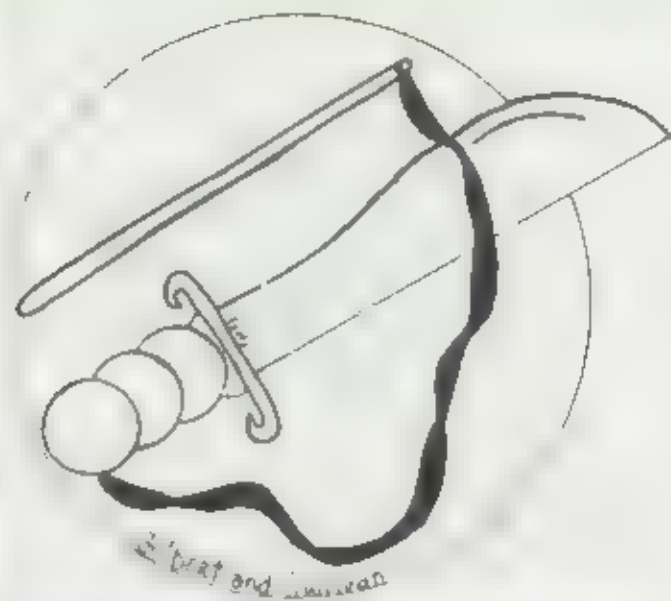

happiness with Yum Yum.

Ko Ko and Pooh Bah make a false affidavit of Nanki Poo's death when they hear the Mikado is coming to Tipu. This puts Pirri Sing, Pooh Bah, and Ko Ko in a dreadful position, for Nanki Poo refuses to come to life again. Karisha is married. The only possible solution is for Ko Ko to marry Karisha.

PROM 1984 - STAIRWAY TO HEAVEN

The way the gym was decorated on April 28 is probably the closest look of heaven anyone will ever get while here on earth.

The ceiling was cascaded with streamers, guirlande and a stairway with small lights climbed up to the "clouds of heaven."

The prom activities included a 5 p.m. Mass at St. Francis Convent and then a meal served by parents at the Candlelight Restaurant. The dance was from 8 to 12 p.m. with the band Roulette providing the energizing music.

The Junior-Senior prom which is traditionally sponsored entirely by the juniors was again a complete success. The juniors put in a lot of time creating "an evening in paradise". Their efforts made the evening special particularly for the seniors, as this was their last dance ever at Calvert.

SENIORS SOAK UP RAYS WHILE

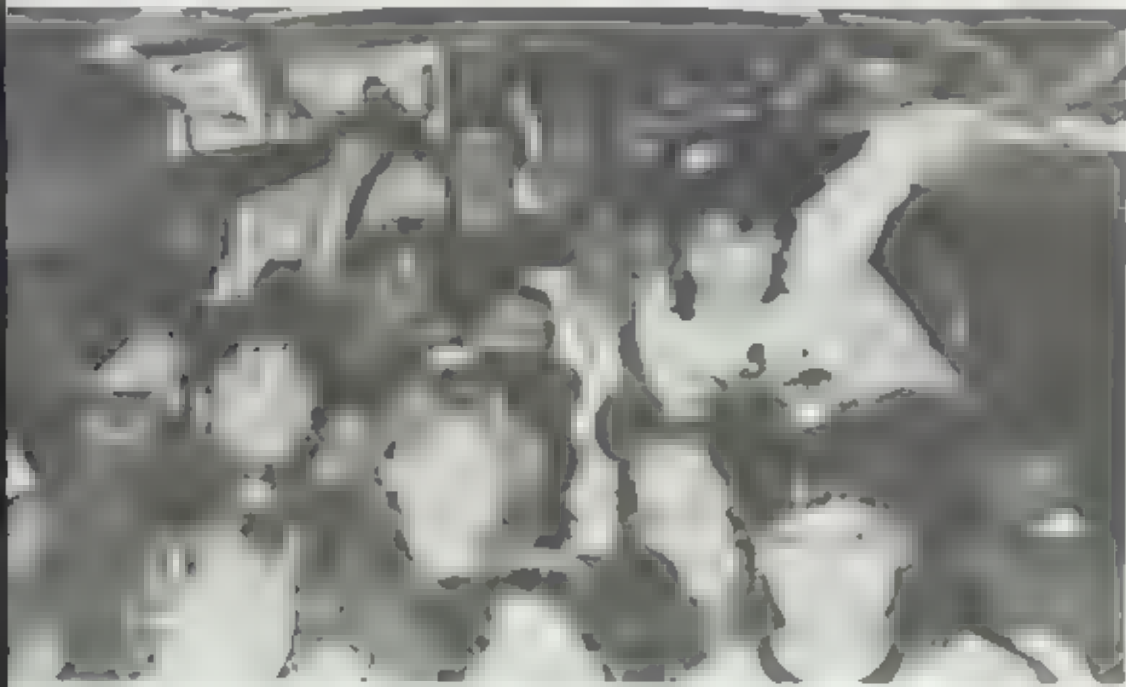

New sights were seen and new things were learned by the Seniors who went on their class trip to Orlando, Florida. Students discovered first-hand that this state truly is the "Land of Sunshine."

Good times, found all over Florida included lounging at the poolside of the Marriott Inn and talking with Pluto at Disney World. The seniors visited Kennedy Space Center, Cocoa Beach, Wet 'n Wild (a water amusement park), and an Orlando dinner theater where they enjoyed the South Pacific.

The trip was from April 8-13. Never before did seniors have such an enjoyable week as they did in Florida.

The seniors started graduation activities May 23 with a parents' Mass in the evening. A reception took place in the cafeteria afterwards.

The traditional Docciaureate Mass was celebrated the next day with the rest of the students. Following the Mass and side show the seniors were served breakfast at which the seniors gave various awards to their fellow classmates.

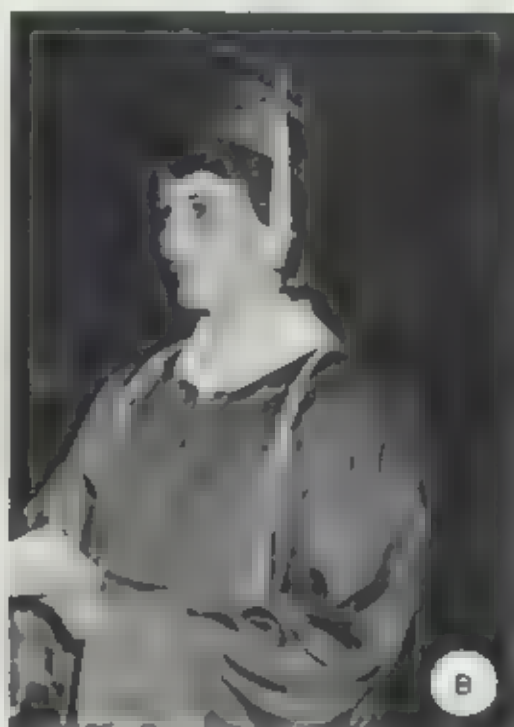

The next day the seniors again joined the rest of the student body for the Awards Assembly. Commencement Friday evening culminated the in school celebrations for the Class of '84.

Senecas Fall Short Of Their Goals

Tough Competition Makes For Challenging Season

The beginning of the 1983 season seemed to be familiar as the Senecas rombed off to an early record of 4-0 and found themselves placed second in the first UPI State Football Poll. This occurred after an opening road trip to Mohawk with a 10-7 victory thriller.

In the season's home opener, the Seneca Dog Soldier defense was unsurpassable as they shut out Delphos Jefferson, 7-0, and again the following week Lima, 10-0.

The fourth victory found sophomore Aaron Smith replacing injured veteran Tom Ritzler at quarterback and leading the team to

a 31-6 win over Clyde.

In the next two contests, the Senecas fell short of victory to tough foes Huron, 33-8, and Port Clinton, 13-6.

Despite back-to-back setbacks, the Senecas still maintained the runner-up spot in Division V, Region 18 computer ratings.

The next three contests, however, proved to be challenging for the Senecas and their overall record slipped to 4-5. However, the season finale found the Senecas finishing off the Panthers, 23-6.

Guys Experience Struggling Season

Record Suffers Because Of Tough Foes But The Spirit Shines On

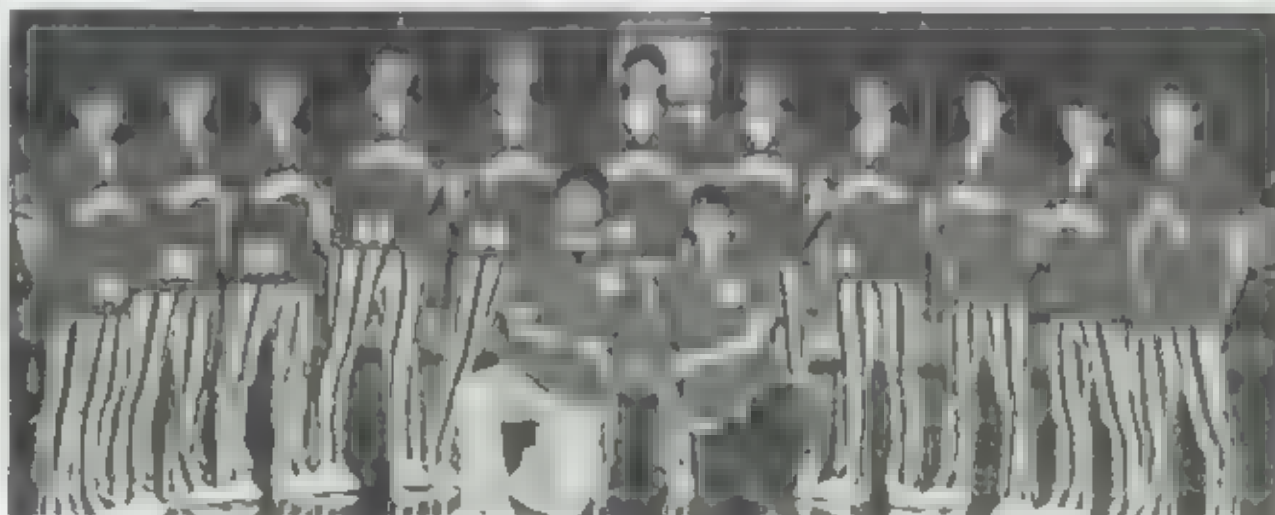

Tim Bridgman's varsity squad lived out a disappointing season with a 10-9-68 record which left the Seneca's with a 4-16 record.

Though a losing season, it was highlighted on the home front with as fans watched senior Tim Rizer score his 10,000th career point. Unfortunately, the Blue and white suffered a loss to Monticello in this game.

In the next week the Seneca's defeated the host of the Valley for a 56-55 win. Scoring highlights in this contest went to Rizer with 20, followed by Brad Wise with 15. The following night the team suffered a Purens' Night defeat at the hands of Buckeye Center, 72-54.

Revenge is served the next game as the Seneca's win over visiting Fremont St Joe 85-57. The shock was supplied by Rizer with 27 points. Despite a strong attack by the Tealazers a 104-84 loss was suffered to a tough Bucyrus Wynford team.

In four-man action, the Seneca's proved too much for Crestline as they came away with a 65-62 victory. The win was led by Aaron Smith with 20 points followed by Rizer with 26. Play for the first time this season was senior Ker Schinner, who was recovering from a broken wrist. The team ended play by falling in the sectional finals to Monticello 67-54.

1983-84 BASKETBALL TEAM: L to R: Nick Frazier, Andy Smith, Tim Demick, Ker Schinner, Phil Smith, Tim Rizer, Don Frank, Jon Kuehnle, Brad Wise, R. Depner, Kneeling: Joe Touch, Tim Bridgman, and Monticello: Scott Finkhouse.

Ritzler's 1000th Highlights Season

The year began with a high note as the team won their first game, a home victory over the visiting team. The team's performance was excellent, with many highlights to remember. The team's spirit was high, and they were determined to win every game.

Although the team had a rough start, they quickly turned things around. They won their next three games, including a hard-fought victory over a top-ranked team. The team's defense was solid, and their offense was efficient.

The team's success continued as they won their next four games, including a victory over a team that had won the previous year's championship. The team's performance was outstanding, and they were well on their way to a successful season.

Big Win Highlights Season

The 1983-84 wrestling season got off to a rocky start for the Senecas. They placed third in the Glens Falls Invitational Tournament. The following week at their first home match, both Varsity and Reserves chalked up victories against Montgomery. Next, the Seneca grapplers defeated rival Mohawks for the first time in two decades, which provided for the big win of the season. Then the team was struck with injuries which prevented Andy Feter and George Graham from finishing their senior wrestling seasons. Despite these setbacks, the Senecas managed to end the season with an exceptional 5-5-1 record. Jim Buchholz received the Most Improved Varsity Award and Ross Wilson the Most Improved Reserve. Jeff MacFarland and Mark E. Heintzel finished the new boys of the season, and Andy Feter had the quickest pin, which was 22 seconds.

Winning

We all understand winning. We've built a great nation around the individual will to win. To get ahead and stay ahead. At work or play we all compete. We want to win.

Whirlpool Corporation is no different. We compete to win. But a company's will to win is no stronger than the collective spirit of individuals. The results produced no better than combined individual effort. Our will must be strong enough...our results good enough to compete with the best. We believe they are.

Together we will continue to make and sell appliances second to none in quality and value. Because we want to win. Because winners get to keep competing and losers don't.

WE DID IT TOGETHER

Michael E. McClellan

Nov. 17, 1939 - July 11, 1984

In Memory Of A Teacher And Friend

"Those who have instructed many . . . will shine as bright as stars for all eternity." (Dan. 12:3)

On July 11 the Calvert community lost a man who was part of that community for 23 of his 44 years. It is only right that we remember him. Mr. McClellan was a teacher and former administrator. He was a member of the Calvert community from 1957 and remained here until his death. He was in administrative positions from 1971-73 and Associate Principal of Calvert from 1973-74, during which time he was also Dean of the Business Department. A part of his time in that department

Having played on the football team his last three years in high school, Mr. McClellan was later assistant football coach under Mr. Paul Mier.

He left Calvert for employment at Webster Manufacturing Company because he "missed the students" he taught in the English Department and the school. He returned once again to the Business Department.

Mr. McClellan was very special to the Class of 1984 as a teacher and friend. The seniors will always cherish the memories of him to Florida on their senior trip.

We pray that Mr. McClellan's every moment be a blessing to the school and dedication to our school.
